The President has appointed Eugene Marshall, of Dallas, district of Texas.

Platform of the Texas Labor Convention

First-That we favor eight hours as a working day and demand the passage of a law so declaring, and pledge ourselves to do all in our power to establish and perpetuate toes insufficiently cooked cause a the system from and after May 1,

Second-That we favor a single tax or a tax upon land values and orange business, and the sales this the repeal of all other taxes whatyear were a fourth of that big sum. soever, because all other taxation is a fine placed upon intelligence,

Third-That we favor the reall other class laws, so that all issues of money be by the govern-Georgia's new \$10,000,000 capi- ment only and by law declared to tol was formally presented, by the be of equal value and a legal ten-

> Fourth-That the only equitable solution of the transportation question is in the government ownership of the railways, telegraphs and telephones.

Fifth-We favor the abolition against \$603,915.11, for last year, of the United States senate and all state senates because of the corruption practiced; the abolition of the grand jury system, because it not only cheaper iron but cheaper used by designing men to crush, ice than the North. What excuse ostracize and persecute. In some instances those who oppose the existing system and the supremacy of either the democratic or repub Since the defeat of the Mills bill lican factions, and to the end that our votes may be counted when cast and all corruption and the boodle system be obliterated, we show that the Mills bill was not a favor the Australian system of holding elections—the election of all officers by the direct vote of the people, and for a law that will secure a lien on the products of la-

A CALIFORNIA SENSATION,

[Petaluma Courier.]

It is reported that the sales of the California remedy, Joy's Vegetable Sarsaparilla, have really sensational. The way the fame of this Bix months ago it was unknown. To-day it is all over the country. It is authoritatively stated that they have been actually giving it away in San Francisco to people afflicted with dyspepsis, sick headsches, indigestion and liver troubles, not to be paid for unless it cured. Such practical tests are so startlingly couvinging as to be almost sensational. It is stated that two of the setive principles of the new remedy and are so well known to us all under common But we are not surprised at anything Califor nian, and this recent discovery of the new me dicinal virtues of its vegetable kingdom is but another instance of the astonishing possibilities of a soil and climate like ours.
